# COMPLETE REVASCULARISATION

16 – 17 JUNE | 10.25 CET

Abbott, in association with Optima Education and Radcliffe Cardiology, is hosting the 5<sup>th</sup> annual CORE meeting, which will be hosted from our London, Copenhagen and Dublin Hubs and shared with you online.

This meeting will focus on strategies, methods, tools and pathways to achieve complete revascularisation. This year we will focus on achieving durable outcomes in and outside the catheterization lab.
